

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**HB 2173 - SB 2333**

February 17, 2016

**SUMMARY OF BILL:** Authorizes, when motor a vehicle's autonomous technology is engaged, an operator to use an integrated electronic display for communication, information, and other uses enabled by the display. Such authorization only applies if the display is integrated with the vehicle such that it operates and functions in coordination with such autonomous technology and disables any moving images visible to the motor vehicle operator automatically when the autonomous technology is disengaged.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- Authorizing the use of an integrated electronic display in an autonomous vehicle is not expected to have a significant fiscal impact on state or local government.
- The Department of Safety confirms the fiscal impact is not significant.

**CERTIFICATION:**

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in blue ink that reads "Krista M. Lee".

Krista M. Lee, Executive Director
